

Topsy-Turvy Records presents:

THE BONESHAKERS – Shake Baby Shake (TTR-45-001)

With the record-launch of THE BONESHAKERS' very first 7" "Shake Baby Shake", the brand-new division of SOUNDFLAT RECORDS, „TOPSY TURVY RECORDS" is born! The record label aims to focus on great Rockabilly, Punk, Alternative and independent music, so THE BONESHAKERS, combining acoustic Rockabilly with Rock'n'Roll classics, oldschool R&B and their own fresh interpretation, represent an ideal first release!

The acoustic-trio with an unmistakable, powerful voice of frontwoman and stand up drummer Boney Shaker, guitarist Schorni Walker (The Sewer Rats/Kanntentime Records) and double bassist Puck Lensing (Frantic Flinstones, The Offenders) started off two years ago when they quickly made the streets, bars and clubs in Germany dance, shake and sing along to their fantastic live-shows. Now they present to you two fabulous songs on vinyl.

Recorded live, the BONESHAKERS celebrate their openness and love for Rock'n'Roll with a driving acoustic Rockabilly-sound. The A-side-song „Shake Baby Shake“, has by now established itself as the band's very own theme-song, after countless wild live-shows made a cheering crowd sing and dance along! The B-side displays the trio's very own version of NANCY SINATRA's hit „These Boots Are Made For Walking“, interpreted in an acoustic-Rockabilly-way with “tough girl“-vocals. “Shake Baby Shake“ is much more than a slogan – as soon as you put this 45 on the decks, party-time is guaranteed!
